## Guidelines 3/2015: Research package

Effective from October 1, 2015. (With minor latest amendments in March, 2017.)

---

Every year, an employee is eligible for an annual **research package** if he or she meets the following conditions:

- (i) PhD graduate,
- (ii) 50%+ AP contract,
- (iii) 50+ AIS points for the Institute over the last 5 years. This criterion is absent in the first year of the contract.

The research package is about **40,000** CZK. The exact amount is announced by email at the beginning of the year.

The package can be used to cover any research-related expenses, including conference travel, submission fees, society membership, databases, small research expenditures and language editing.

80% of the package can be transferred into the next year if the transfer is announced before December 1 of the respective year.
