

How could you take your studies to new heights?

- By thinking about things that nobody has ever thought about before
- When you write a dissertation about the highest building on earth
- With an internship where you assess natural hazards at popular tourist destinations

INTERN (M/F)*

FOR THE DIVISION FINANCIAL SOLUTIONS WITH A FOCUS ON CENTRAL AND EASTERN EUROPE

The team Financial Solutions is the Client Management team for Non-Life Reinsurance in Continental Europe, responsible for all non-traditional business opportunities within the divisional unit. The team identifies together with local Client Management and Underwriting teams new business opportunities. Non-traditional opportunities include all reinsurance-based solutions that address corporate finance situations and needs such as M&A, Solvency capital shortfall, earnings and operating performance optimisation. The focus of the team is in the proactive acquisition of non-traditional business opportunities and the development of sustainable relationships with strategic clients. Your placement can be for three to six months during 2017.

YOUR JOB

- Research on markets and clients and further develop our strategy books in Central and Eastern Europe
- Prepare detailed financial models covering different clients and situations across Continental Europe the CCE region
- Client analysis based on public and private information as well as external research
- Assist in drafting client presentations (pitches and project specific materials)

YOUR PROFILE

- Advanced level of studies in business administration, economics or related fields with excellent marks
- Strong analytical capabilities combined with a sound understanding of financial markets and corporate finance
- Previous experience insurance or financial services is appreciated
- Proactive, “can do” approach, ability to think out of the box
- Good knowledge of MS Office products (Excel, PowerPoint); knowledge of SAS would be an advantage
- Oral and written fluency in English; any other European language is a plus

Munich Re is one of the world's leading reinsurance companies with more than 11,000 employees at over 50 locations around the globe. We are working on topics today that will concern the whole of society tomorrow, whether that be climate change, major construction projects, gene technology or space travel. We find solutions to these challenges through a network of highly qualified professionals who anticipate risks, work on tailor-made solutions and expertly advise our clients. If you want to help shape the future as part of one of our teams, we look forward to hearing from you. You can apply by filling in the **online application form** (<https://munichre.tms.hrdepartment.com/cgi-bin/a/highlightjob.cgi?jobid=8250>).
