Countries Regions and Cities

We are currently seeking to recruit an intern to join Bloom Consulting in Madrid, Spain, as a Technical Analyst. The Technical Analyst should be a bachelor or master student (or graduated) with a Business, Engineering or Economics degree background.

If you are a hardworking, committed, responsible and highly motivated person able to take initiative, contact us!

Position	Earliest Internship Starting Date	Duration
Technical Analyst	September 2017	3-6 months

## 1. Job Description

The main role of the Technical Analyst position is to help and support project managers in internal and external projects. The tasks may include:

- a) Responsibility for specific tasks and projects that will involve preparing, maintaining and administrating corporate documents as well as monitoring and reporting results to the top management.
- b) Development of new internal projects and the improvement of existing projects.
- c) Gathering, collecting, analysing, and reporting different types of data.
- d) Conducting research, which will include consulting external sources, elaborating surveys, reviewing publications and browsing the Internet for data sources.
- e) Processing Excel figures and PowerPoint presentations.
- f) Working with several software and program languages.

## 2. Requirements

- a) Fluent in speaking, reading and writing in English.
- b) Strong analytical and problem-solving skills, with a proven ability to meet deadlines and give attention to detail.
- c) An excellent working knowledge of Microsoft Office Word, Excel and PowerPoint packages.
- d) Skills in SQL programming.
- e) Interns are required to have valid health insurance coverage for the entire duration of the internship.
- f) You should bring your own laptop with Microsoft office programs (Excel, Word, PowerPoint).
- g) Minimum duration of internship is 3 months.

## 3. Desired Skills from you

- a) Entrepreneurial mindset to approach projects and tasks.
- b) Ability to take initiative and proactive approach.
- c) Accountability, enthusiasm, and numerical thinking.
- d) Knowledge of VBA Macros or other program language will be considered as an advantage.

## 4. What we offer

- a) Personal development - we provide a chance for our trainees to face a real challenge. Interns work on the front line of projects and are given a lot of responsibility, which greatly enriches their skills and CVs.
- b) We give the opportunity to experience work in an international consulting company, in a multicultural environment.
- c) An internship at Bloom Consulting is a chance to acquire not only valuable experience but also new skills, to test your knowledge, responsibility, and ability to carry out a project.
- d) During the internship, you will meet many new people from all over the world and have an opportunity to enlarge your network.
- e) Each intern gets an evaluation certificate describing the tasks, achievements, and final grade, which will help you in your job search. If the intern gets a high grade in the evaluation, he or she will receive a letter of recommendation signed by the CEO, which will be extremely valuable for job and university applications. In addition, Bloom Consulting is always happy to give references for interns who demonstrated great results. An exceptionally high percentage of the interns, who received a recommendation letter from the CEO, get a job thanks to experience and references obtained at Bloom Consulting.

## 5. How to apply
