

ATKearney

Apply now

Hello, Math genius!

A.T. Kearney is offering full-time and intern positions at our growing Prague office!

A.T. Kearney is a leading global strategy consultancy represented in more than 40 countries. Since 1926, we have been trusted advisors to leading companies across all industry sectors. We pride ourselves on creating tangible and lasting results while helping our clients achieve success.

We offer top performers the opportunity to join our growing team of consultants in Prague, and be part of a fast paced and dynamic work environment.

What You Can Expect:

- Challenging problems
- Responsibility from day one and a steep learning curve
- International opportunities through A.T. Kearney's Global mobility program
- Excellent support of your personal growth through mentoring and extensive training
- Competitive compensation and benefits

What We Seek:

We are looking for talented problem solvers who are ready to apply their skills. To become a member of our team you need:

- Excellent academic results
- Outstanding written and verbal communication skills
- Strong critical thinking and analytical capabilities
- Collaborative approach to problem solving
