Guidelines 6/2022: Ranking of students

Effective from October 1, 2022.

These Guidelines specify the methodology for determining the ranking of students according to their academic performance in the previous academic year for study programs in a foreign language at Institute of Economic Studies, namely:

- Bachelor in Economics and Finance (BEF),
- Master in Economics and Finance (MEF), and
- Master in Finance and Data Analytics (MFDA)

following the Dean's Measure 15/2022 Procedure for submitting requests for reducing or waiving the fee for studies in a foreign language.

Methodology for BEF

- Qualifying condition: at least 45 credits in the previous academic year.
- Ranking based on Adjusted Grade Point Average (*AGPA*) in the previous academic year:

$$AGPA_{BEF} = CREDIT\_WEIGHTED\_MEANSIS - ((CREDSIS - 60) * 0.01)$$

Where:

- *CREDIT_WEIGHTED_MEANSIS: the credit-weighted study (grade point) average from all courses in previous year registered in SIS, considering all attempts (A=1, B=1.5, C=2, D=2.5, E=3, F=4)*

- *CREDSIS: number of credits achieved in the previous academic year*

Note: Transferred credits collected during studies elsewhere prior the previous academic year will not be considered for verification of the qualifying condition and will not be included in the AGPA.

Methodology for MEF

- Qualifying condition: at least 45 credits in the previous academic year
- Ranking based on Adjusted Grade Point Average (*AGPA*) in the previous academic year:

$$AGPA_{MEF} = CREDIT\_WEIGHTED\_MEANSIS - ((CREDSIS - 60) * 0.01) - (COMPULS\_COMPLETED * 0.1)$$

Where:

- *CREDIT_WEIGHTED_MEANSIS: the credit-weighted study (grade point) average from all courses in previous year registered in SIS, considering all attempts (A=1, B=1.5, C=2, D=2.5, E=3, F=4)*

- *CREDSIS: number of credits achieved in the previous academic year*

- *COMPULS_COMPLETED: number of compulsory courses (1,2 or 3) completed in the previous academic year*

Note: Transferred credits collected during studies elsewhere prior the previous academic year will not be considered for verification of the qualifying condition and will not be included in the AGPA.

Methodology for MFDA

- Qualifying condition: at least 45 credits in the previous academic year
- Ranking based on Adjusted Grade Point Average (*AGPA*) in the previous academic year:

$$AGPA_{MFDA} = CREDIT\_WEIGHTED\_MEANSIS - ((CREDSIS - 60) * 0.01) - (COMPULS\_COMPLETED * 0.1)$$

Where:

- *CREDIT_WEIGHTED_MEANSIS: the credit-weighted study (grade point) average from all courses in the previous academic year registered in SIS, considering all attempts (A=1, B=1.5, C=2, D=2.5, E=3, F=4)*

- *CREDSIS: number of credits achieved in the previous academic year*

- *COMPULS_COMPLETED: number of compulsory courses (1 to 7) completed in the previous academic year*

Note: Transferred credits collected during studies elsewhere prior the previous academic year will not be considered for verification of the qualifying condition and will not be included in the AGPA.
